### **Special skills/Information**

6 years of experience as a cosplayer & self-taught sewist;

- Sourced garments, fabric and accessories, then altered them through sewing, crafting and breakdown techniques to be more accurate to source material and/or enhance characterization.
- Sewed unique costume pieces, wigs, props and accessories that could not be otherwise sourced.
- Working experience sewing medium and light weight woven fabrics and knits (*by hand and by machine*) and working with interfacing, elastics, buttons, snaps and zippers.
- Made costumes fitted for men, women, children and babies.
- Crocheted and knitted small accessories and props; including handmade yarn wigs.

### **Employment Experience**

#### **Additional Cast (Costumed Server)**

*'Jubilations Dinner Theatre' Calgary, AB*

**November 2023-Present**

- Designed and created practical and eye-catching costumes for myself to wear while serving tables.
- Created two new costumed characters every 3 months as new shows cycled in for both the mainstage and Junior show.
- Served and bused tables, assisted bar staff and performed various backstage duties while remaining in character.

#### **Seasonal Costume Consultant**

*'The Costume Shoppe' Calgary, AB*

**October 2022, October 2023**

- Assisted customers in choosing or building Halloween costumes and accessories.
- Assisted with rentals of higher end costumes.
